# WHERE'S MY MAN WHEN I NEED ONE

Ruby was putting the final touches to her outfit as she looked at herself in her bedroom's full-length mirror. At 22, she knew she was a good looking woman. Well built, statuesque, and sporting a quick wit, she was adjusting her lacy bra in the mirror. She admired her ample breasts and how they looked in the bra. Nice. Glancing lower, she turned to see how her skirt hugged her curves and showed off her nice firm ass the way that she wanted. Finally, she was ready to go.

Her friend Bella comes bursting into the room and looks Ruby up and down. “Honey, you're looking good tonight. I can't wait till you meet Marc” “Bella, don't you ever knock? And who is Marc?” Diverting Ruby's question, Bella walks over and starts finicking over Ruby's outfit and then hers in the mirror. Soon Bella takes Ruby's hand and pulls her away. “C'mon baby, we're gonna be late for the soirée.” ‘Who says that?’ Ruby thought. It's just another dumb party.

After they arrived, Ruby noticed Bella slip away with some guy. She was hoping that this meant she wouldn't have to meet this Marc. But then she realized that she didn't know anyone at the party so she decided to find Bella and whoever was throwing this soirée. As Ruby walked into a back room, she heard a low moaning coming from a dimly lit corner. As she stood at the doorway of the dark room, she could make out the silhouettes across the room. Bella was on her knees in front of the man she was with. He had his hands on the back of her head. He continued to moan as she bobbed up and down in front of him. As Bella took her head away, Ruby could see her stroking his cock as she giggled and said something to him.

Ruby had never seen anyone have sex in front of her, and she noticed that she was getting pretty wet from watching. The guy must have had the biggest cock she had ever seen. Bella went back to sucking on it as the guy began to pull her dress up revealing her butt cheeks. Ruby couldn't take her eyes from the sight. Without even realizing it, Ruby was rubbing her mound while watching the whole thing. As she looked up she was staring right into the eyes of the guy. He had a smirk on his face as if he enjoyed being watched by a stranger. He pulled the girl up until she was on her feet and lifted her up into the air. Ruby watched as he slowly guided her down onto his stiff rod. She tried her hardest not to make a sound, not to give away the fact that she was there.

Ruby didn't want her friend to find out she was spying on her even though the guy knew she was there. Bella began to rock up and down with her legs wrapped around his waist. The guy was nibbling on her neck but looking at Ruby in the

doorway the whole time. She had lifted up the front of her dress and was rubbing the front of her crotch without even noticing. Her attention was on the guy, more accurately, his cock sliding in and out from between her friends legs. The scene seemed like it was taking forever, but in reality was just a few minutes. The guy began to pick up speed, he must have been close. Ruby was also getting close, she wanted to rip off her panties and join the couple. Coming to her senses and not wanting to get caught by her friend, she composed herself and exited the room as quickly as she could. She knew that if she didn't get away quickly, her lust would take over and she would find someone, anyone to satisfy this urge she had. For some reason, she couldn't guy the size of that guy's cock out of her mind.

Deciding to leave so she could maintain her decorum, Ruby headed for her car. She noticed the sounds of sex again. She noticed the moaning was coming from close to her car. She saw a guy getting head by some blonde and, strangely, wished she was in that position. She could see the guy tense up and hear him moan. He must have just cum into the girl's mouth. She made it to her car and was fumbling with the keys. They fell to the ground in her haste and after finally retrieving her keys, unlocked her car door. Before she got in, she heard some steps and looked over her shoulder to see her man's friend, Nathan, staggering out of a car. She refocused to make sure she was seeing okay.

"Nathan, I thought you and James were working late tonight." she said. Nathan said, "I'm not sure where he went, I lost James a while ago, but if your leaving I could sure use a ride home." He mumbled, obviously inebriated. "Okay, let's go." Ruby grunted in frustration. She wasn't sure what she was going to do now. She couldn't get a hold of James even with the messages she had left. Then, Nathan was sitting next to her smelling like booze and sex. She sped the whole way home and forgot that she was supposed to drop off Nathan. Meanwhile he had fallen asleep in the passenger seat. That is when an idea popped into her head. Nathan is probably to drunk to remember who he had sex with so maybe she could satisfy her need and never get caught. Oh, so naughty, she said to herself.

She helped Nathan into the house where he went straight to the couch and laid down. Ruby was starting to get nervous but then she began feeling almost uncontrollably horny. She began to take off his pants. When she finally had them down to his ankles, she looked up to see his semi-hard cock just lying there. She couldn't help but touch it. As her fingers went around his shaft, she slowly began stroking it and watched it come alive. She continued to stroke until it was fully hard. Her lust returned in full force and before she could even think about it, she had her mouth around the head. As her tongue swirled around the tip, she could taste the cum he shot into the other girl's mouth.

There wasn't any other taste indicating that he had sex with the girl. She began to bob up and down on his shaft,

enjoying the feel as well as the anticipation of finally being satisfied after tonight's events. She continued to enjoy the feeling of his cock sliding into her mouth but she knew this was not enough. She stripped off her panties and straddled his limp body. No need for anything more, she was already soaking wet. Holding his cock upright, with one thrust, she lowered herself onto his cock. A low moan escaped her throat as she was finally filled with a nice hard cock. She slowly rocked back and forth relishing in the naughtiness of the whole thing. She could feel her climax slowly starting to build and ever so slowly, she came all the way down until she could feel his balls resting under her ass.

Lost in her own little world, she didn't notice the movements being made underneath of her, not until she felt his hands grasp and fondle her breasts. Not even caring, she pulled the straps off her shoulders to release her bare breasts to his caresses. He pinched and pulled at her nipples, turning her on even more. As she slammed her body down on his cock, he was thrusting upwards to drive his cock deeper into her. She was close to getting the release that she wanted, but not close enough. He must of sensed this as well and slipped his hand down to find her clit. As he began to rub it, that was all she needed as her body began to shake. Her juices were oozing out in a powerful flood as she was finally thrown over the edge. She could feel his cock swelling inside of her as he was nearing his own climax and she wanted to feel the hot sticky liquid filling her insides.

He continued thrusting up into her, letting out little grunts and moans. His hands were on her hips helping to push her down onto him, not that she needed the push. She was still slamming down on him as hard as she could, trying to force his cock to erupt inside of her. She wanted to feel his sperm coating her insides. She leaned forward and placed one of her nipples inside of his mouth. He began sucking on it with enthusiasm. This must have been what he needed because at that moment he began squirting inside of her. She yelled in excitement at the feeling and began her second climax of the night. When she finally calmed down, she looked down into the eyes of the guy she had just used.

She got off him, holding his jizz inside her so it wouldn't get all over the place. She looked down at him and he still seemed pretty out of it. Ruby got up and made both of them drinks, his a lot stronger than hers. She was hoping that he wouldn't remember tonight. As he finished his drink, she made sure he was okay to walk home. He only lived down the street. She's seen him in worse conditions than this as she watched him stumble down the street, eventually making it to the right door. She finished her drink and went to lay down. Suddenly there was a loud knock at her door.

"Hey baby, it's James. You home?" **XTC**

I have that hot Latin blood in me and it flows hot through my veins. It's so hot that if I was a guy, I'd have a sixteen inch erection. Now, let's talk about sexual exhaustion, because that's something I'm really good at. Don't know what I mean? Any guy I screw is going to be exhausted at the end of it. And he's going to beg me for more.

# DRESSING FOR SUCCESS CAN BE SUCCESSFUL

I've been saving my money to treat myself to some nice clothes that I saw on Rodeo Drive. My marketing job doesn't pay that well, so I want to go job hunting and having a nice suit will show that I'm a serious contender for whatever I'm seeking. So I go into this nice men's store and start looking around. There were a couple other customers and plenty of female sales help ready and willing to make their commission. One comes over to me in the dress shirt area and asks if she can help me. She looks at me up and down, probably trying to assess if I was a spender or a looker, and I return the favor looking at her up and down. Immediately this made her a little uncomfortable, but I smiled and put her at ease. I've been told I have a great smile and admit I use it to my advantage whenever I can. Doesn't hurt to have Paul Newman's baby blue eyes also.

She was very helpful to the questions I had and she obviously flirted with me, and I with her. Her name was Gisela and she was from Germany. I told her she didn't seem to have any of the austere mannerisms we assume. She said she'd been in this country since she was twelve and went to school to get help losing her accent. I introduced myself as Chandler and by the time I finished two hours later, I had rung up a bill of almost three grand. When I was checking out, she gave her business card and wrote her number on it, mouthing 'Call me soon.' as I took my boxes and headed out. I called her a couple days later and during our phone conversation, she asked if I would like to meet her for lunch.

We met at a spot not too far from her work and really seemed to hit it off. I wasn't wearing anything I bought that day, but still looked pretty good in my Polo and khakis. Towards the end of lunch, she said she wanted to continue conversing back at her place and would I like to come pick her up after work. I said that would be great (actually, I said 'awesome' but immediately regretted using that word). So six-thirty comes around and I'm out front of the store. She comes out a few minutes later and we're off to her place. She lived just off Robertson Bl. so it wasn't that far. About half an hour in, she kept looking at me, smiling and then looking away, lowering her eyes.

Since we were on the couch at the moment I just put my arm over her shoulder at which point she released a big sigh and rested her head on my chest. The conversation had taken a more serious turn after discussing her divorce which had been finalized a few weeks earlier. Resting my hand on her back, we stayed like that for several minutes until she looked up at me with a rather emotion-

it's so nice when there's no pressure on a first fuck

less face, locked eyes, and we both knew what was going to happen. Without realizing it, she had planted her hand on my chest, looked down at it, back up at me and eased herself against me while at the same time meeting my lips. She laid herself on-top of me with my arms now around her and those beautiful breasts now firmly pressed hard against me.

We were kissing each other when I began noticing a more aggressive side to her. She moved from soft kisses and light flicks of her tongue to biting my lip and sucking on my tongue. She abruptly stopped, stood up and offered her hand to me. I took it and stood. She led me deeper into her place, into her bedroom.

She excused her self for a moment to use that bathroom and came out wrapped in a short, silky robe. She climbed on the bed and before I got to the bed, she met me at the edge and told me she was going to undress me. I couldn't say a word as she slowly slid my shirt up and off, kissing my chest and quickly flicking her tongue at my nipples. She then gave a tug at my belt buckle, loosened it, and slowly slid my pants down while making sure to run her hands along my ass. Of course she noticed what was bouncing in front of her under my boxers with which she took the same care to slide down, revealing my perfectly erect, shaved cock, which I did in anticipation of tonight. As Gisela's face passed by, I could feel her hot breath warm the tip all they way down the shaft.

We laid down on our sides facing each other and wasted no time leaving off where we started on the couch. I could tell she was restraining herself but this time her true desires began coming out when she began pulling and biting at my nipples and running her hand down to my cock and balls. I wasted no time uncoupling her bra, revealing the most perfect breasts I had ever seen. Breaking from sucking her boobs, she made a move for my cock, which she had a firm grip on, and played with a bead of pre-cum I has leaked. She quickly licked that up and slid half my cock down her mouth. I relaxed as she pumped, twisted, and sucked, coming up for air until I pushed her head down and felt the tip of my cock hit the back of her mouth, and she gagged. I let her catch her breath and told her to relax her throat and I slid it down the rest of the way as she fought her gag reflex and took it all, balls deep.

She wanted more. So as she was deep-throating me, I reached behind her and slid her panty off and there was her beautifully shaven, wet, hot, pink pussy in front of me. She had her hands gripping the bed sheets and enjoying the rhythmic grinding of my fingers between her legs. Sliding two fingers in and working them hard inside her, her breath grew harder and louder. I figured she was going to orgasm soon, so I quickly increased the pace, as did she. I always liked to look at a girl in her eye's as they cum, so I sat up slightly and watched her. I felt her pussy tighten around my fingers as her back arched and her ass

pressed upwards. As her climax subsided, she quickly got on all fours saying her pussy was ready for my cock. With her tight round ass in front of me and a dripping pussy in between, I mounted her from behind with a quick hard thrust. With each thrust I could tell she was getting hornier and wilder, and that her pussy was tightening up again. With a few more thrusts and slaps of her ass pulled out and I pushed Lori onto her back, pulling her legs over my shoulders, and slid back inside.

This time I wanted to toy with her so every time I pulled out I would thrust in slower than the last time, giving her the chance to feel every inch until I'd run my head into her g spot. I waited a few more minutes until greed took over and holding onto her tits, fucked her nice and hard again, this time leaving my dick inside while she orgasmed again.

With me laying down on my back she was more than happy to give my cock a ride. She groaned in between the noise of my cock slapping her pussy walls. She quickly began rocking her hips and working her ass back and forth. She knew I was loving the view so she leaned forward slightly allowing her boobs to swing and bounce in front of me. As she bucked and rode me, I sat up so our legs wrapped around each other, faces inches apart and me deep inside her. She immediately kissed me and began pinching both my and her nipples at the same time. Finally, she pushed me down and wildly road my cock and fiercely rubbed her clit until she released her final orgasmic wave.

She knelt beside me and grabbed my dick and didn't even hesitate to slide it up and down her throat a few times only pulling out to lick the tip. As my breath and her pace quickened, she obviously knew where she wanted it, but I still asked. With it still inside her, she looked at me and nodded her head. With that I just laid back, watched, and waited until I felt my own orgasm building deep inside. I heard muffled moans in her mouth as she took my cock down to my balls yet again. With that she slowed her sucking and just worked my shaft in long smooth strokes and kept her eyes on mine as I felt the first long beaded rope of cum shoot into the back of her mouth. But as I spewed more and more into her mouth, I saw her throat working as she swallowed every ounce that came out. She pulled my cock from her mouth as she licked her lips and finished what little cum remained in her mouth.

She licked all around her lips and ran a finger across them to be sure she got every drop. We laid on the bed in a relaxed embrace and talked for about another hour. We agreed with each other that this would happen again some time soon before I got a new job and had to move away. With that she smiled and said she hoped it wouldn't happen for a very long time. She smiled, took hold of my cock, rubbed it, and said that I could go but my cock would have to stay. **XTC**

I must admit that I have a really high sex drive and it's become a way of life for me. The cool thing for me and my partners is that I really get into it, especially sucking big stiff cocks or licking cute guys balls and assholes. I think I'm so damn good at it that I amaze myself sometimes. Oh and the taste of cum, yummy. I'd love to taste yours, too.

I don't really consider myself as exotic, but I do like hot, steamy sex. At college I was considered to be a sex machine and I wore that as a badge of honor. There was one month that I must have done ten different guys. That's probably a lot by anyone's standard. I'm told I can make cocks erupt just by looking at them because I exude animal sex. I hope you'll check out my video and all the girls you've seen in this issue.
